# 15 Interior Designers Share Indispensable Advice From Their Interior Designer Moms

From treating green and blue as neutrals to following a formula to avoid bad lighting, the decorating wisdom that design-pro moms passed down to their design-pro children

By *Alina Dizik*

“Incorporate art with personal meaning.” **Eugenia Jesberg** impressed this on daughter **Emma**, who joined EJ Interior Design, her mom’s firm in Tiburon, Calif., in 2020. “She told me that family heirlooms, travel mementos and collected objects tell a story and deepen emotional connection.”
